- **(Type II):** Ski moderately; prefer a variety of speeds; ski on varied terrain, including most difficult trails; includes all skiers who do NOT meet all the descriptions of either Beginner or Advanced.
- **(Type III):** Ski aggressively; normally ski at high speeds; prefer steeper and more challenging terrain; favor higher than average release/retention settings. (This corresponds to decreased releasability in a fall in order to gain a decreased risk of inadvertent binding release.)

**SNOW TRAILS EQUIPMENT RENTAL & LIABILITY RELEASE AGREEMENT:** For all Seasonal Clubs Programs and Add-On Options

**1. RELEASE FROM LIABILITY AGREEMENT.** I understand and accept the fact that skiing in its various forms (including snowboarding) is a hazardous sport that has many inherent dangers and risks. I realize that injuries are a common and ordinary occurrence of this sport. I agree, as a condition of being allowed to use the ski area facility and premises, that I freely accept and voluntarily assume all risks of skiing or any risk which relates to my participation in skiing or the operation of SnowTrails and release Snow Trails and its agents, employees, directors, officers, shareholders, representatives and manufacturers and distributors from any and all liability for any loss, damage, injury or expense which I may suffer or my next of kin may suffer as the result of my use of or my presence on Snow Trails' premises, including but not limited to, negligence, breach of statutory or other duty of care owed by Snow Trails under Chapter 4169 of the Ohio Revised Code.

**2. CONDITIONS OF USE.** I, the undersigned, have read and understand the terms of the above Agreement and the Release from Liability, which is an essential part of it. I am signing it freely and of my own accord, realizing it is binding upon myself, my heirs and assigns, and in the event that I am signing it on behalf of any minors, that I have full authority to do so, realizing its binding effect on them as well as myself. As a condition of holding a program identification card and being permitted to use the facilities of the ski area, I further agree to assert no claim against or sue Snow Trails for any loss, damage, injury, or expense which I may suffer, or which my next of kin may suffer as the result of my use of or my presence on Snow Trails' premises.

3. **RENTAL EQUIPMENT CONTRACT.** These descriptions are compatible with ASTM and ISO Documents. I will be responsible for the replacement, at full retail value, of the equipment furnished under this agreement that is not returned. I agree to reimburse and hold harmless Snow Trails for any loss or damage of any kind, other than reasonable wear and tear, which results from the use of this equipment. I agree to return all rental equipment by the designated time to avoid any additional charges. I have made no misrepresentations to Snow Trails in regard to my height, weight, age or ability. I agree to make certain I understand all instructions on the use of my rental equipment and function of my equipment before using said equipment. If you decide to bring your own ski or snowboard equipment, it must have metal edges and proper run-away devices for safety reasons. If you are not sure if your equipment complies with current industry standards, we recommend having your equipment looked at by a trained professional. Our Ski Patrol or your favorite local ski shop would be the place to go for this. Discount department store "toy" snowboards, sleds, snow decks or snow skates or similar products of this kind are not permitted.
4. **AGREEMENT AND RELEASE OF LIABILITY FOR RENTAL EQUIPMENT.** I understand and am aware that skiing, snowboarding and other use of snowsports devices is a **HAZARDOUS** activity. I understand that the sport of skiing/snowboarding and the use of ski and snowboard equipment involve a risk of injury to any and all parts of this user's body. I hereby agree to freely and expressly assume and accept any and all risks of injury to the user of rental ski, snowboard, and other use of snowsports equipment while skiing. I understand that the alpine ski equipment to be used forms a part of or all of a ski-boot-binding system which will **NOT RELEASE** at all times or under all circumstances and that it is not possible to predict every situation in which it will or will not release, and that its use cannot guarantee this user's safety or freedom from injury while skiing. I further agree and understand that the ski-boot-binding system may reduce but does **NOT ELIMINATE THE RISK** of injuries to the lower portion of this user's leg. I also agree and understand that the ski-boot-binding system may **NOT** reduce the risk of injuries to this user's knees or any other parts of this user's body. I understand that, if snowboard or other snowsport devices without release bindings are being used, these systems are designed **NOT TO RELEASE** at any time and their use does **NOT PROTECT OR REMOVE THE RISK** of any injuries to any part of the user's body, including the wrist, knee or ankle. I agree that I will release Snow Trails, its employees, officers, directors, instructors, agents, owners, representatives, manufacturers and distributors from any and all responsibility or liability for injuries or damages to the user of the equipment listed on this form, or to any other person. I agree NOT to make a claim against or sue Snow Trails, its employees, officers, directors, instructors, agents, owners, representatives, manufacturers and distributors for injuries or damages relating to skiing and/or the use of rental equipment issued. I hereby agree to accept the terms and conditions of this contract. This document constitutes the final and entire agreement between Snow Trails and the undersigned. Snow Trails, itself, provides NO WARRANTIES, expressed or implied, and the equipment to be provided is accepted "as is." I have carefully read this agreement and release of liability and fully understand its contents. I am aware that this is a release of liability and a contract between Snow Trails and myself and I sign it of my own free will.

**Helpful Information:** Photos: Program photo ID cards are issued to each participant and must be presented weekly at each session. ID cards are NOT transferable or interchangeable and will be revoked without refund if presented by anyone other than the individual pictured on the card. Violation of this policy is considered fraud, and is punishable under Ohio law. Lost or forgotten cards should be reported to the Guest Service desk. A temporary card will be issued once per season for free; after one temporary card is issued there will be a replacement fee of \$5.

Lessons: Program lessons are offered, one lesson per session. **Children under the age of nine years old are not eligible for group lessons in standard Alpine Discovery Programs.**

**Be Aware. Ski with Care:** The use of helmets or wrist guards may reduce the risk of injury. Whether or not to wear a helmet or other safety devices is a personal choice. Make sure to check into all available options. You are advised to familiarize yourself with the content of the Responsibility Code so as to become more aware of the elements of risk involved in the sport of skiing and snowboarding. The Code is available on [www.snowtrails.com](http://www.snowtrails.com), at the Resort, and on our brochures. Violations of Your Responsibility Code, and Snow Trails' rules, ordinances and/or guidelines may result in criminal prosecution, civil liability and/or loss of lift privileges without compensation or refund. Applicant acknowledges that skiing/snowboarding is subject to a skiing/snowboarding contract, which releases Snow Trails for injury to person or property. Please observe all signs posted!
