# How to bring your group to Snow Trails

As an organizer/leader you can easily qualify for a free all area lift ticket for yourself and enjoy the appreciation and thanks from your friends, co-workers, club members or relatives. Gather your group, set a date and contact us to reserve your spot.

- **Minimum number of participants:** 15 (tubing or skiing)
- **Reservation:** Complete the Reservation Request Form 7 days in advance of visit. No deposit required.
- **Payment:** Group organizer/leader pays for entire group with one payment upon arrival by cash, check or credit card.
- **Lessons:** May be purchased as part of the group total or separately by individual skiers/snowboarders in your group. Minimum age for a group lesson is 9 years old. Eight years old and under must take a private lesson or make reservations through Polar Bear Program. Please be advised that snowboard lessons are not offered as frequently as skiing lessons. Refer to Snow Trails' website for scheduled lesson times.

Since Snow Trails limits the number of groups participating on any given day, (we think our guests appreciate less-crowded slopes) reservations must be made a week in advance and are on a first come, first serve basis. Reservation acceptance will be acknowledged with a confirmation letter that contains the information you need regarding your group's visit.

If you have any questions, or require further information, please feel free to give our group office a call. We will be happy to assist you.
